

THE PERTH AND DISTRICT COMMUNITY FOUNDATION

DR. GORD JACKSON MEMORIAL FUND

APPLICATION GUIDELINES

This fund honouring the memory of Dr. Gordon Jackson was established in 2005 through donations made to The Perth and District Community Foundation. Grants awarded under this fund will be provided annually for educational assistance, project assistance, or other charitable activity which recognize those 'areas of interest' which were important to Dr. Jackson – namely, international development, international relations, medicine, theology and charitable work.

Due to the broad scope of Dr. Jackson's interests (eg. international development, international relations, medicine, theology) as well as the nature which various granting initiatives may take (e.g. educational assistance / project assistance – locally, nationally and internationally, as well as other charitable works related to his interests) please complete the Application form and include a detailed description of the undertaking. Include information supporting the need for the request, the issues to be addressed, desired outcomes, and an assessment as to the extent of the lasting legacy of the project as they relate to the areas of interest identified above.

All criteria outlined in our Grant Guidelines also apply to the Dr. Gord Jackson Memorial Fund.

For additional information concerning eligibility, please contact the Foundation. The General Application form may be downloaded from our website and used to apply for the Dr. Gord Jackson Grant.
