About the Organization

The Perth and District Community Foundation (PDCF) exists to grow and strengthen community so that everyone belongs and thrives, today and in the future. We do this through community building, granting for impact, and fund development.

We grant funds to local community organizations in the Town of Perth, and the townships of Lanark Highlands, Tay Valley, and Drummond/North Elmsley. In 2026, our Community Grants Program has distributed over \$600,000 to more than 40 local organizations, including The Table Community Food Centre, Lanark County Community Justice, YAK Youth Services, Lanark Basic Income Network, Middleville and District Museum, The Perth Dog Park, Lanark County Interval House, and PEP Seniors Therapeutic Centre.

We facilitate community-building through gatherings and workshops offered to community partners on topics such as governance, social media, grant writing, and fundraising. Every five years, PDCF produces a *Vital Signs Report* which provides a snapshot of the health of our community in key areas like safety, environment and affordability, and is used by us, community partners and local municipal governments to aid in planning.

Our various scholarships and bursaries, awarded to graduates at the two local high schools, help students who are going on to study in university, college or as apprentices in the trades.

We raise money through the generosity of local citizens and businesses. We invest all donations wisely so our fund grows, and we can continue to provide support to community for many, many years to come.

Perth and District Community Foundation belongs to Community Foundations of Canada and is a registered charity.
